Did You Know?

Q: What does the word "Incarnation" mean?

A: The Church calls the mystery of the wonderful union of the divine and human natures in the one divine Person of the Word the "Incarnation". To bring about our salvation the Son of God was made "flesh" (*John 1:14*) and became truly man. Faith in the Incarnation is a distinctive sign of the Christian faith.

Scrip

Scrip will be on sale May 4-5 and 18-19.

Hallmark Scrip is back! Available in e-cards only, 4% rebate. We are unsure if this is a permanent thing or just for a limited time - so stock up now!

Madison's scrip cards are currently unavailable. Don't forget to use Scrip for all those upcoming spring and summer home projects!

Thank you for your continued support of the Scrip program!

"I give you a new commandment: love one another. As I have loved you, so you also should love one another. This is how all will know that you are my disciples, if you have love for one another." *John 12:34-35*

FIRST FRIDAY ROSARY

May 3 at 6:30am. All are welcome!

MASS INTENTIONS

While each Mass is offered in a general way for the needs of all the world and for the souls of the faithful departed, the priest offering the Mass can apply the specific fruits of that Mass for an intention of his choice. By ancient tradition, members of the faithful may request the priest to offer Mass for a specific intention of theirs. The code of Canon Law states that "A priest is free to apply the Mass for anyone, living or dead." (can.901)

It is also customary, though not absolutely required, for the faithful to make a donation to express their concrete connection with the offering of that particular Mass. In former times, this donation was often the things physically necessary to offer Mass (bread, wine) or other things required for the support of the clergy. Today, such a donation (a "Mass offering") is usually a small cash donation. In the Diocese of Jefferson City, the customary donation for a single Mass is \$10. In our diocese, these donations are given to the parish.

If you wish Mass to be offered for a specific intention and to make a donation in connection with this intention, please place an envelope marked "Mass intention" in the collection basket.

SHAPING OUR FUTURE TOGETHER

On March 26, 2024, Bishop McKnight signed a pastoral letter and formally promulgated plans for the five deaneries of our diocese. The letter and accompanying plans are available on the diocesan website: <https://diojeffcity.org/soft/>

St. Joseph and St. Anthony are in the Southeast Deanery.

PRESENTATION ON DIGNITAS INFINITA - ST. ANTHONY - MAY 8

On April 8, 2024, the Holy See issued a new document on human dignity (*Dignitas infinita*). This document can be read online. It discusses topics such as poverty, war, the death penalty, gender theory, "sex change" interventions, disabilities, and digital violence. As part of our adult faith formation, Fr. Schrader will give an overview and explanation of this document on Wednesday, May 8 at St. Anthony in Folk.

Wednesday, May 8 (in Folk):

4:30pm - Confessions

5:00pm - Mass

5:45pm - Presentation on *Dignitas infinita*

FR. SCHRADER ABSENT MAY 20-24

Fr. Schrader will be away from the parishes May 20-24. There will be no weekday Masses on these days.

NURSES' CORNER

First-aid fixes in your kitchen

Splinter? - Grab table salt – Draw out a splinter by soaking the area in 1 cup of water brings the splinter closer to the surface of your skin so it is easier to grab with the tweezers. If no tweezers? Dry the skin, then top with duct tape and gently pull back in the direction of the splinter to pull it out.

Minor burn? Use warm water – Swiss research suggest that running a small kitchen burn under lukewarm tap water prevents damage better than using cold water. Not only is a cold-water regime too uncomfortable to endure for the advised 20 minutes, cold constricts vessels, slowing healing. Water that is body temperature or just slightly cooler soothes a burn while allowing healing blood to reach it.

Bruise? Blend a pineapple - To fade a bruise, sip a pina colada smoothie once a day for 4 days. Pineapple in the drink contains bromelain, an enzyme that research in the journal "Biomedical Reports" suggests dissolves bruise-causing clotting. Blend 2 cups of frozen pineapple, ½ cup of coconut milk and 4 ice cubes; water until frothy.

Scrape? Grab a banana peel – Place a banana peel (inside down) over a cleansed scrape for 10 minutes before bandaging. Brazilian research suggests it blocks infection and aids healing. The peel has 70 antibacterial and antioxidant compounds that ease inflammation and swelling. ---Ann Green

Quash germs – Run out of antibacterial wash? Try apple cider vinegar. A study in the "International Journal of Dermatology" notes its acetic acid has antimicrobial properties along with antioxidants that may speed healing. Dilute ¼ cup of distilled water in 4 cups of water and apply to a scrape using a cotton ball up to twice daily.

Tip! – Eating ¼ tsp of yellow mustard helps calm a muscle cramp almost instantly, suggests Methodist University research.
