SUBJECT: Opportunity to “opt your child out” of the Touching Safety program
DATE: October 5 and 12, 2016

St. Joseph/St. Anthony Catholic Church High School Religious Education Program will present a sexual abuse prevention program, the Touching Safety program, to our students on October 5 and 12. The creators of the Protecting God’s Children™ program developed the Touching Safety program. This program is provided to us by Archdiocese of Jefferson City, and is a part of our ongoing effort to help create and maintain a safe environment for children and to protect all children from sexual abuse.

The scheduled lesson is being offered to all students at St. Joseph/St. Anthony Catholic Church High School Religious Education Program. As a parent, you have the right to choose whether your student participates. We encourage you to read the attached “overview” and “lesson plan” so you’ll be aware of the nature of the Touching Safety program. If you have questions about the program or the lesson, please contact Nancy Massman at (573) 418-8295. If you determine that you DO NOT want your child to participate, please complete the “opt-out” form at the bottom of this page, and return it to your child’s teacher no later than September 28th.

For more information on the Touching Safety program, visit the VIRTUS Online™ website at www.virtus.org.
