

TRAFFIC PATTERN

2015-2016

KEEP

PM:

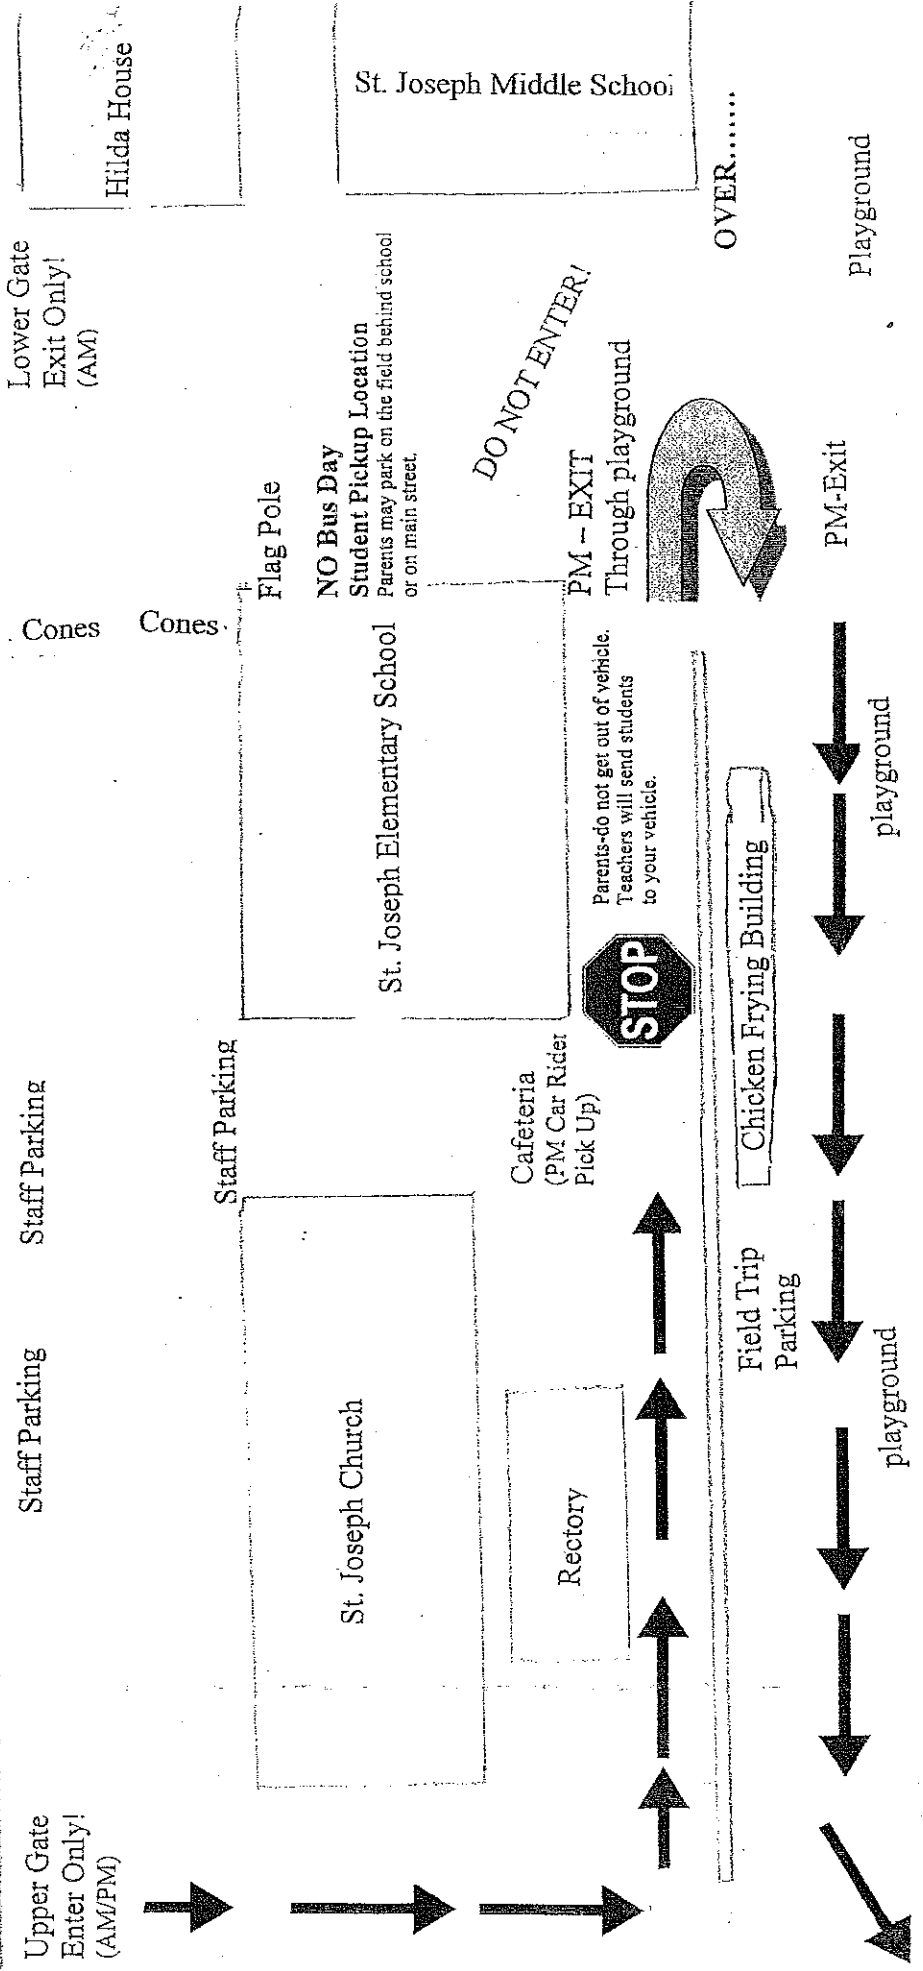

Any parent/guardian picking up their child(ren) for after school dismissal must follow the traffic pattern below.

- If your child(ren) are to be picked up, they will be dismissed from the double glass doors in the cafeteria.
- Parents are asked to stay in your car and pull up to pick up your children.
- Please make sure you send notes to school if your child's routine changes. All information must be received in the school office by 2:00 pm.
- This same pattern will apply on early release days with bus service.
- **NO BUS DAYS:** parents are asked to meet their children at the flag pole in front of the elementary building. Please remember to send notes to school prior to these days. We will dismiss by grade. Please do not leave the parking lot until all students are safely in cars. A staff member will blow a whistle when it is safe to leave the parking lot.

**** There are no exceptions to the traffic pattern in the PM.**

TRAFFIC PATTERN
2015-2016

KEEP

All parents that drop off their child(ren) at school or if they have their child registered in the Before School Care Program are to use the new traffic pattern below. All traffic must go the same way!

- The Before School Care Program will be located in the computer lab in the Middle School—please use the front doors at Middle School to enter. Parents must sign in with the BSC director each morning.
- Students that routinely come to school before 7:30 am must be registered in the BSC program and parents must sign them in with the BSC director each morning.

***There are no exceptions to the traffic pattern in the AM.*
